

## Council Will Advertise Town Lots Before Sale - Mayor

### REEVE URGES SALE OF LOTS TO MAKE THEM REVENUE PRODUCING

Whether the town should continue to sell freely town-owned lots, was discussed at a town council meeting on Monday evening.

Reeve F. A. Lundy, who has sold a number of lots for the town since a tax sale four years ago, brought three proposed sales to the council.

"These lots are gathering weeds, and are not bringing the town any revenue," said Mr. Lundy.

"We are not going to sell any more lots unless the purchasers are going to build on them," declared Mayor Dr. L. W. Dales.

"You can't make them build," commented Councillor Frank Bowser.

"We will hold them then until after the war," said the mayor.

Dr. Dales declared also that there would be no more sales of town lots until they had been inspected by members of the council.

Dr. Dales, Mr. Bowser and Councillor J. L. Spillville went on a tour of inspection of the lots under discussion on Tuesday.

Since the council meeting Reeve

### MEET MONTHLY

Newmarket council will meet the third Monday only of July, August and September, it was decided at a town council meeting on Monday evening.

The resolution, introduced by Councillor Joseph Vale and seconded by Deputy Reeve A. D. Evans, provided that Monday's meeting be the only one for June.

Lundy stated that, following a tax sale four years ago, the council decided to sell lots on unpaid streets for \$50 each and lots on paved streets for \$50 and up.

He thought that the town should continue to follow this policy.

The prices Mr. Lundy brought to the council meeting on Monday evening were \$250 for two lots on Gorman St., \$100 for a lot on the north side of Eagle St. and \$75 for a lot on Ontario St. E.

Mayor Dales told The Era and Express this week that in the future the town would advertise to the public that it proposed to sell particular lots for which reasonable offers had been received and give any other interested citizens a chance to make a bid.

## MISS HOLLADAY RESIGNS AFTER GREAT SERVICE

The co-operation of the Newmarket high school board in showing government-provided health movies in the high school auditorium will be sought by the public school board, it was decided at a meeting of the public school board on Friday evening.

Rev. J. A. Koffend, the chairman, presided.

Showing of the pictures was suggested by the Newmarket Home and School Association and will begin in the fall.

Trustee Dr. G. E. Case proposed that play at the schools, at recess, before and after school, should be supervised, if it were not already supervised.

"Not to let the nine best boys do all the playing and the little fellow sit at one side," added Trustee L. H. Bovair.

Principal H. A. Jackson said that it would require three men on the boys' side at the King George school.

Dr. Case spoke of running races.

"There is no room at the King George school grounds—they are too small," said Mr. Jackson.

"They are too small," agreed Dr. Case.

"I grant that supervised play is the ideal situation," said Mr. Jackson.

"What would be the reaction of the staff if they were asked to take over the supervision of sport?" asked Mr. Koffend.

"Some of the teachers would be glad to do it," said Mr. Jackson. "Others couldn't do it."

"Would you be satisfied to leave it with Mr. Jackson to see what can be done next year?" Mr. Koffend asked the board.

"Group games and team-play should be emphasized more," said Mr. Bovair.

"You will find that the boys want to play ball," said Mr. Jackson.

"There is a time for ball, and all should get a chance to play, and there is a time for group games," said Mr. Bovair.

"Mr. Jackson knows what is in our minds," said Mr. Koffend.

"It might be possible to take some of the older boys and teach them to teach others how to play," said Secretary R. L. Pritchard.

"We will ask Mr. Jackson to take such action as he thinks wise," said Mr. Koffend.

The resignation of Miss Nellie Holladay, principal of the Alexander Muir school, was received.

"I have enjoyed my work of teaching but the time has now come when I should retire," wrote Miss Holladay.

Mr. Koffend said that he had talked with Miss Holladay and that she had fully made up her mind to retire.

"I'm certainly sorry to see her go," said Trustee Frank Bothwell. "If she wishes to retire it is her privilege. She has given wonderful satisfaction."

"She is a good teacher," commented Trustee Mrs. J. C. R. Edwards.

"It is her privilege to retire," said Dr. Case. "A letter of appreciation should be sent."

"Miss Holladay has a fine record," commented Mr. Bovair. "I am sorry to see her go," said Mr. Pritchard. "She has been a capable teacher."

Mr. Pritchard moved that the resignation be accepted and that a letter of appreciation be sent to Miss Holladay for her services.

Mr. Pritchard said that Miss Holladay had taught "32 or 33 years here and eight years elsewhere."

Some fee-paying pupils from outside the municipality had asked that their fees be rebated in part because the schools had been closed for some time, Principal H. A. Jackson told the board.

"I would ask you to bear in mind that it was not the board that closed the schools but the medical health officer," said Mr. Koffend. "I think that that should be clear with the public, because of the criticism that has been levelled at the board."

"It was a request of the M.O.H. that could have been an order. The M.O.H. called me up and I told him that the board would only be satisfied if children were kept from the schools also," Dr. Wesley said that that would be done, and it was followed to an extent.

"The question has been asked why the Catholic school wasn't closed. The public might remember that the Catholic school has health supervision and had very few cases."

"I would say that there should be no rebate of fees," Mr. Koffend concluded.

Mr. Jackson said that 33 pupils pay fees, and that 22 had paid without any request for rebate.

"The fee used to be \$20 a year and we have permitted parents (Page 8, Col. 5)

## Beginner Takes Five Lake Trout First Time Out, From Four And A Half To Eight Pounds

"Beginner's luck" was illustrated last week when Mr. and Mrs. Jack Crozier, Sutton, both veterans at fishing, invited Gar, Hamilton, Sutton business man, who had never fished before, to accompany them for an afternoon's fishing in Lake Simcoe.

When they were about a mile out from shore Gar dropped the copper line into the water and it wasn't long until he had a good-sized lake trout safely in the boat. In went the tackle again, and again the same thing happened, except that on the second occasion the result was a larger fish.

This unusual course of events went on until he had five trout in the boat, ranging in size from four and a half to eight pounds. In the meantime Mrs. Crozier had had three "strikes" and, although she is quite adept at this sport, she wasn't as successful as Hamilton. Gar had taken five trout, a day's limit for one person. So, thinking he would like to catch some for his two friends, he dropped the line in once more, only to have probably the biggest one of all tear the hooks and swivel off the tackle.

Crozier said: "It was probably just as well that Gar lost part of his tackle. Otherwise he would have drained the lake of fish."

"Yes, Gar caught all of them, but remember I was handling the boat for the party and consequently couldn't do any fishing."

"I would like everyone to understand that."

## Lake Trout At Jackson's Point Weighs Over 16 Lbs.

### SUTTON COUNCILLOR PULLS OUT TROUT SAID TO BE SIMCOE'S LARGEST

Councillor Ross J. Smalley of Sutton topped off the best fishing here in years when he hauled in the largest lake trout on record in this district while trolling near Jackson's Point last week.

Accompanied by another expert fisherman, Jack Crozier, he was trolling about a mile out when the big one struck and, as can well be imagined, there was excitement aplenty before the record fish was safely in the boat.

The fish tipped the scales at 16 1/2 lbs.

According to local fishermen, among them Bill Mossington and Art Grew, both boat-builders, this is the largest fish to be caught on a trolling line in this district in their memory. One a few years ago, taken near the north end of Georgian island, was over the 12 1/2 lb. mark.

## MARKET SCALES OUT OF ORDER, COUNCIL TOLD

Four of the five sets of scales at the market building have been rejected by the scales inspector, the town council learned at a meeting on Monday evening.

"What action has been taken by the property committee in regard to these four rejected sets of scales?" asked Councillor Frank Bowser.

"We haven't done anything yet," said Wm. Dixon, chairman of the property committee. "We only know about it on Saturday."

In reply to Reeve Fred Lundy's query as to what "rejected" meant, Mr. Dixon said the scales could not be used until they were balanced.

The scales used to be balanced every Saturday morning, but "if they have been neglected," said Mr. Dixon.

"Do they leave them after they've been neglected?" asked Mayor Dr. L. W. Dales.

"Yes," said Mr. Dixon.

"They are not condemned then," said Mr. Lundy.

"They can't use them until they are rectified," said Mr. Dixon.

Mr. Dixon said that the property committee was looking after having the scales balanced.

## PRISONER THANKS ALL FOR LETTERS

A postcard has been received by The Era and Express from Sgt. Fred Evans, who is a prisoner in Germany. The card is dated March 14.

"Please convey my deepest gratitude and appreciation to all the kind friends of town who have written," he says. "Hope they all realize that I am not in a position to answer individually—only wish I could. The majority take nearly four months to arrive, but believe me they are really welcome. Best regards to all. Keep it up. See you soon."

## Juniors Hold Picnic, Dance At Musselman's

York County Junior Farmers missed a fine day last Friday for their judging competition, which was postponed to permit the young folk to stay with the seeding. It was a grand day for seeding, too. However, they are planning to have a big night this Friday at Musselman's Lake, when they hold their annual dance.

The usual picnic in the afternoon will be attended only by those through seeding or held up by the weather. Owing to the uncertainty of the picnic this year, the luncheon will not be pooled and those attending have been advised to "bring what you eat and eat what you bring," though drinks will be provided by the association.

### APPEAL FOR SEAMEN

Saturday will be Newmarket's opportunity to show what this town and district think of the men of Canada's navy and merchant marine. The Navy League will hold a tag day.

Mrs. Robert Martin is the convener. Other members of the committee are Mrs. Molly Inglis, Mrs. G. E. Case, Mrs. W. A. McCaffrey and Mrs. Jack King.

### COACHES WILL CARRY NEWMARKET'S NAME

A letter from Gray Coach Lines, acknowledging the request of Newmarket town council that buses display "Newmarket" signs on the buses instead of "Lake Simcoe" was read at a town council meeting on Monday evening.

The letter stated that as soon as the Newmarket signs were ready they would be used on coaches between Toronto and Newmarket and that some were being used already. The name will not be changed on coaches going through to Jackson's Point.

Appreciation was expressed by the council for the consideration given them by the Gray Coach Lines.

### TEST-TUBE RACKS FOR OTTAWA MADE BY BOYS

An account of war work done by the Newmarket public schools since last September was given by Principal H. A. Jackson at a public school board meeting on Friday evening.

"I extend to you, your staff and pupils our gratitude for this report," said the chairman, Rev. J. A. Koffend, "for what it means to those it will help, both ourselves and others."

Work reported included: 15 "housewives" filled for the Navy League, value \$1.75 to \$2.10; collection of \$44 for the Navy League; collection of 2,810 lbs. of rubber; \$50 given to Aid to Russia fund by pupils, \$26 by staff; 1,600 lbs. grease and fats collected; \$32.65 collected for Junior Red Cross; 3,709 war savings stamps purchased, value \$927.25; articles of clothing made in the household science department, not yet appraisable; 55 10-tube and 20-tube test-tube racks made in manual training department for the department of munitions and supply.

### Keeping Town Tidy, Discussed By Council

The "dogger nuisance" was brought before the town council by Mayor Dr. L. W. Dales on Monday evening.

"A lot of people like to keep their lawns clean," said Dr. Dales. "Asked what he thought about doggers, Councillor Frank Bowser, who sometimes uses doggers for his store, said: 'They are a good form of advertising. Some people want them and some people don't. Some people phone up and ask for them. Others phone and say not to leave them.'"

Down at the waterworks lawn the town is having trouble with chocolate bar wrappers and cigarette boxes, said Deputy Reeve A. D. Evans.

Doggers and pamphlets should be pushed in the doors and not left to be blown onto lawns, said Dr. Dales.

"There should be refuse receptacles placed at Water St. and Timothy St.," said Mr. Bowser.

"Be careful about prohibiting doggers," warned Reeve F. A. Lundy. "The town distributes doggers itself from time to time."

Asking whether the parking by-law had ever been passed, Councillor Joseph Vale said that cars on Timothy St. were interfering with the Gray Coach buses.

N. L. Atchew, K.C., town clerk and collector, said that the by-law had been passed. Mr. Vale said that it should be enforced.

Mayor Dales asked whether Chief Constable James Sloss had the "no parking" signs up.

"They are not all out yet," replied Councillor Wm. Dixon, chairman of the police committee.

"Some of them are."

Mr. Bowser asked if a taxi firm was entitled to park its cars in the market square. Mr. Mathews said "no."

"We should try to clean up the market square and make it convenient for the buses," said Mr. Bowser.

Wildfield Park is a hazard to cars on Timothy St. and should either be filled up or fenced, Dr. Dales said.

"We are filling it as fast as we can," said Mr. Bowser, chairman of the road and bridge committee.

### Fred S. Thompson Is New Lions President

Fred S. Thompson was elected president of the Newmarket Lions club on Monday evening. This year's president, Frank Bowser, was in the chair.

H. E. Gilroy was elected first vice-president; W. J. Geor, second vice-president; Alex. Eves, treasurer; Kenneth Bonnington, Lion tamer; T. F. Doyle, secretary; Frank Courtney, treasurer; directors for two years, A. N. Belugin and N. P. Mathews; directors for one year (elected in 1942), Chester Best and C. G. Walman.

Additional acknowledgments of a recent mailing of cigarettes to Newmarket soldiers overseas have reached Secretary T. F. Doyle from A. G. Chantler, J. O. Watson, W. C. Drury, E. H. Hargreaves, Brendan Callaghan, H. G. Patterson and R. L. Fontaine.

John Henderson, district representative of British American Oil, presented an interesting war movie.

## Helping Retailer Stay In Business, Is Meeting Topic

### Merchants Of Aurora, Newmarket, District Meet Together To Discuss "Squeeze" Of Price Ceiling

Newmarket and Aurora town and district retail merchants break new ground on Tuesday evening when they hold a meeting, under dominion government auspices, in Newmarket town hall.

The meeting is for the purpose of discussing war-time operating difficulties in the retail field.

The wartime prices and trade board will have a speaker, J. MacLeod, present to discuss, "A War-time Plan for the Retail Merchant."

"The presentation is designed to awaken greater consciousness of the economics of operation necessary in order that the retailer may profitably remain in business," J. A. Jackson, a representative of the board, told The Era and Express.

"While there is no 'scare' attitude adopted, there is a frank outline of the steps the board considers necessary in order that the small retailer may survive the price squeeze, short supply and other factors influencing his future."

## Big-Time Starts Again Specialty Is First Victim

### ROOKIE BILL HOPPER EDIFIES FANS WITH PITCHING EXHIBITION

Mayor Dr. L. W. Dales threw the first ball. Major N. M. Young took a crack at it. And hit it. Art Peppiatt made an attempt to catch it. Then Umpire-in-Chief Leo. Forhan called "Play Ball."

That's the way Newmarket ushered in its 1943 hardball season, last Thursday night. The curtain went up shortly after 7 p.m. When it rang down around 9 p.m., the Davis Leather outfit headed by Geo. Haskett and "Shorty" Turan had romped home with a 12-6 decision over their old rivals from the Office Specialty, captained by Ben Wilson.

The Davis gang got off to a fine start in the first inning when they shelled Ruddock from the Specialty mound with a five-run onslaught. Bill Hopper, a rookie, who goes to Newmarket high school, took over the flinging for the Specialty and struck out the side in the second inning.

The leathermen got to him for three runs in the third and four in the fifth. The Specialty scores were two in the first, one in the third, two in the fourth and one in the fifth.

Highlight of the evening's entertainment was the neat relief pitching chore turned in by young Mr. Hopper, who emulated the feat of his rookie namesake with the Toronto Maple Leafs and turned in a creditable performance.

The fans got their first chance to see the new diamond at the Stuart Scott school grounds. The whole infield has been built up with 80 yards of loam. This made it much easier for the players to pick up ground hit balls. Most of the errors came from wild throws between the bases.

Davis Leather: Geo. Haskett, r. Gann 2b, Peters 1b-p, Cain c, Gould p-1b, Turan c, Tansley 3b, Wm. Haskett ss, Harmon lf.

Office Specialty: Hilton ss, Wildfield r, Palmateer 3b, Gould 2b, Neufeld c, Broughton lf, Hopper 1b-p, VanZant c, Ruddock p-1b, Wilson.

### WILL PLAY TONIGHT

The third game of the Newmarket hardball league is scheduled for the Stuart Scott school grounds this evening. It will be military camp against Davis Leather.

### WAR MOVIE PROMOTES SALVAGE COLLECTION

A motion picture, showing authentic war pictures obtained through the national film board of Canada, in co-operation with the national salvage committee, will be shown in the town hall, Newmarket, under the sponsorship of the Newmarket Boy Scouts Association, on Friday evening, June 18, at 8 o'clock.

These pictures show the tough training soldiers are getting. There are front-line pictures of the Japanese-Chinese conflict, a commando attack on the German-held port of Narvik; pictures of fighting on the Russian front, the two German battleships, Gneisenau and Scharnhorst, running the British blockade in the English channel, and many other action pictures.

The picture is being shown in support of a salvage collection on June 18 and 19.

Tickets may be obtained at any gasoline station in town at any time during the week, or at the town hall on the evening of the show.

The price of admission will be 2 lbs. of fat, or one automobile tire or tube or 25 lbs. of metal (tin cans, front-end pipes or galvanized metal will not be accepted).

Bring salvage materials to any garage in town and obtain your ticket or to the town hall on the evening of the show, when trucks will be provided to collect the materials in return for tickets.

## Invasion On, Armed Forces Lay Low Specialty Nine

### SOLDIERS SHOW NO MERCY AS THEY DESCEND UPON WILSON TEAM

With "Lefty" Newbold, star army hockey and baseball player showing his best form for three innings and newcomer Owens, a right-hander from the north country, following in his footsteps, the army boys from Basic Training Centre 23 pushed a one-sided win over the Office Specialty nine on Tuesday evening.

When the boys had gone seven innings and the rout was over the Camp went back to their barracks with a 23-4 decision. Due to the absence of last week's star rookie, Bill Hopper, Ben Wilson, manager of the Specialty nine, sent Gene Broughton to the mound and the Camp boys took advantage of his inexperience to steal the shirt off his back and club his right-handed slants freely for five innings.

Hilton took over the flinging for the Specialty in the fifth. The Camp got two runs in the first, six in the second, one in the third, two in the fourth, five in the fifth and completed the evening's entertainment by smothering seven more over in their half of the sixth.

Featured in this outbreak of hostilities were home runs by Clare Exelby and Al. Wysinski. The Specialty got one in the third and three in the seventh. The Camp showed four of last year's regulars in Wysinski, Exelby, Mitchell and Newbold.

Two or three of their newcomers looked good. Altogether the club looks stronger than the club which won the title last year. One of their stars was a 200-pound right-fielder by the name of LaGrandeur. The boy moved quite fast for a heavyweight.

Camp: Buchowski 3b, Exelby ss, Wysinski c, Colantino lf, Mitchell 2b, LaGrandeur r, Kenney 1b, Mihallak c, Newbold p, Owen p.

Specialty: Palmateer 3b, Hilton ss-p, Wildfield lf, Gould 2b, VanZant c, Wilson 1b, Neufeld c, Broughton p-ss, Blight lf.

## APPEAL FOR HELP ON BEHALF OF GREEKS

Mayor Dr. L. W. Dales has agreed to sponsor an appeal to the Newmarket public on behalf of the Greek War Relief fund.

"There are thousands of children and adults dying of starvation in Greece," states a letter from Jackson Dadds, national campaign chairman. "Today in Greece little children fight over garbage cans in search of food. Entire families beg together. Skeleton mothers with emaciated infants cry and shiver in the streets. It is a common sight to see abandoned babies and young children lying around too ill or hungry to move. Mothers carry their dead children to secret burial so that they can save the ration cards of their dead."

H. E. Lambert, Bank of Toronto, will receive gifts on behalf of this fund and act as treasurer. Or they may be left at the town office or with The Era and Express.

## ROCHE'S POINT FARMERS DO WELL

Among Roche's Point farmers who are through seeding are Archie Robinson, Ross Wrightman, manager of the Cowleson farm, Arthur Mitchell, manager of A. C. Matthews farm, Ross Folkard, manager of the J. B. MacKinnon farm, and Duncan Elliott.

Harvey Shaw, manager of the Alfred Irving farm, and others will be through this week if the weather stays fine.

### FARMERS USE MORE SUGAR

The division of canning sugar has been made by districts. The Newmarket-Aurora allowance evidently works out to ten pounds per person. The Stouffville district allowance is apparently ten pounds per person for families of four or less and 11 pounds per person for families of five or more. The Barrie district allowance would have worked out to 11 1/3 pounds per person, but the local rationing board decided that rural people needed more sugar than town people and gave Barrie people ten pounds per person and Vespra, Innisfil, Flos, Essa and Sunnidale township people ten pounds each for the first two persons in each family and increasing amounts for additional members of the household. A family of three gets 35 pounds, four 45 pounds, five 60 pounds.

The allowance for Bradford and West Gwillimbury was 24,700 pounds for 2,230 applicants, something over 11 pounds per person.

There will be general agreement with the decision of the local rationing board at Barrie that the average farm family needs more sugar than the average town family, though the difference is greater than ten percent. We are not thinking of the possibility that the farmer, working from dawn to dark, needs more sugar than the man who works from seven or eight to five or six o'clock, or that the youngster walking one or two miles to school needs more sugar than the youngster walking half a mile.

We are thinking that the average town household purchases a great deal of canned fruit, whereas the average farm family purchases little or no canned fruit. But instead "cans" a large quantity of fruit, some of it homegrown. At least, that is what has happened in the past. As a result of the request that housewives should count their jars and decide how much fruit they could can many town and city women thought that they were being patriotic in deciding that they could put down more than usual. The total amount Canadians requested was twice the amount available, and nearly twice the amount used last year, and so it was necessary to allow only about ten pounds per person. That is still far more canning sugar than many town and city families have been using in the past, but it is only one-half to one-quarter of what the average farm family has been using for canning.

The rationing is fair. It divides the available canning sugar fairly among all. But it takes no account of what people have done in the past. It means a dislocation. It means that many farmers will have to let their home-grown fruit go to waste, for they are not likely to take care of it or

try to find a market for it in this year of gasoline rationing and labor shortage. It means that many farmers will become buyers of canned fruit next winter for the first time, but it does not mean that those who are getting more canning sugar than they are accustomed to use will use it all for that purpose and buy that much less factory canned fruit.

Or, it can be said that the ten pounds allotment to everybody, while eminently fair, means that those who have used more than that in the past—whether town or country dwellers—will now have to supplement their own canning with purchased canned fruit, but it does not give any assurance that those who get more than they have used in the past will use all their extra sugar honestly and efficiently for canning and so buy proportionately less canned fruit. Unless the factories are allowed sugar to can increased quantities of fruit this year, it may be necessary to ration canned fruit next winter.

Our suggestion is that the wartime prices and trade board should permit and encourage persons with larger allowances of canning sugar than they ordinarily use to turn them over to those who have less than they ordinarily use. If the experts do the "doing down," there will be less spoiled fruit and wasted sugar (there were never more young brides than there are today), and encouraging canning in the homes where it has been done in the past would mean less chance of a shortage of factory canned fruits.

### RECREATION FOR HEALTH

Recreation for the town's young people and children seems more of a concern this summer than at any time in the past. In other years, there were many who were able to get away frequently or occasionally to a lake resort, to enjoy boating, swimming or wading. This summer there is going to be much more staying at home. It is tragic that there is no place in our town where a child can learn to swim, and where swimmers can enjoy a "dip." Fergus, for instance, has a company-owned swimming-pool open to the community, and supervised by a company-paid instructor who takes children of four, five and six years and turns them into swimmers.

Now that the town has plenty of water, couldn't we improvise a pool that would be sanitary and safe, and offer a substitute for the lakes that are beyond the reach of even those who have cars? The Newmarket fire brigade has a nest-egg in excess of \$1,500 for this purpose. Any money that the town might add to it could be considered well spent on the health of the town's young people and in discouragement of the burning of gasoline. Whether approval could be secured from the building controller would depend on the presentation.

When Newmarket does get a swimming-pool it should be open on Sunday afternoons during the months that Sunday-schools are closed. Sunday baseball may be objectionable as too noisy for the Sabbath, but there is no reason why we shouldn't swim or learn to swim in Newmarket on a Sunday, when we can swim at beaches without being criticized. At any time, it would be a good thing to provide Sunday afternoon recreation (we would include corner-lot baseball) at home and try to keep ourselves and our children in town and attending church instead of running all over the countryside on the Sabbath.

### HOPE

Spr. Marsh Fairbairn, Petawawa, and Mrs. Fairbairn, Toronto, spent the weekend visiting at the homes of W. G. Fairbairn and Max Fairbairn, Holt.

Mr. W. G. Fairbairn, Misses Maud and Bertha Fairbairn and Mr. and Mrs. Marsh Fairbairn were Sunday dinner guests of Mr. and Mrs. Max Fairbairn, Holt.

Mr. and Mrs. Max Fairbairn, Holt, were supper guests on Sunday at the Fairbairn home.

Miss Ruth Brenair, Toronto, spent the weekend at her home. Miss Lottie Tansley, Toronto, is ill at the home of her sister, Mrs. Auley Brenair.

Mr. and Mrs. Edgar Pegg were supper guests on Thursday at Mr. Jack Pegg's.

A number from here attended the sports day at Mount Albert on Saturday.

AC2 Jas. Williams, Toronto, spent the weekend at Mr. and Mrs. Selby Evans'.

The W.A. meeting held at Mrs. Auley Brenair's on Wednesday afternoon was well attended.

Wm. Brenair fell off his bicycle at school on Wednesday, cutting his arm. It took four stitches to close the wound.

Mr. and Mrs. Harry Longhurst and Betty were Sunday dinner guests of Mr. and Mrs. S. Boyd.

Mr. and Mrs. Norman Fry, Newmarket, visited Mr. and Mrs. L. S. Mount on Sunday.

Mr. and Mrs. Douglas Pottage and family visited Mr. and Mrs. Beverley, Uxbridge, on Sunday.

### Queensville

The farmers on the Queensville flats are busy. The land is still heavy, but seeding is progressing favorably. It is hoped there will be a fair crop. Although the seeding is late, it is a week earlier than last year.

Mrs. McKenzie spent the weekend in Toronto with her son, Ross, who flew to Vancouver on Monday on a business trip.

The Women's Association of the United Church will entertain several members of the executive of the Toronto centre presbytery next Tuesday at the regular monthly meeting. This will be the annual visit of the presbytery to Queensville.

Shirley Summerfelt and Shirley Garshorse, both Queensville public school pupils, were rushed to York County hospital for appendix operations last week.

Clair Smith, son of Mr. and Mrs. J. L. Smith, has joined the R.C.A.F. and is stationed at Lachine, P.Q. He completed his senior matriculation at Newmarket high school. Clair spent the weekend in Ottawa with his brother, Rex, who expects to leave Ottawa in the near future.

AC2 Murray Huntley, Mohawk, is home on extended leave. AC2 Huntley sang "Just For Today" at the Sunday morning service at the United Church.

Mr. Cecil Foster, who is employed at Brantford, spent Sunday at his home here.

Mrs. Max Bait's three children have been ill, but are progressing favorably.

Jim Aylward, son of Mr. and Mrs. Byron Aylward, has joined the Canadian navy and is stationed near Halifax.

Mrs. Burkholder is spending a few days in Newmarket with Mrs. Gibson.

AC1 Jack Kavanagh is spending two weeks leave at his home. Visitors at the Kavanagh home over the weekend were Mr. and Mrs. Ted Donnell and family, Mr. and Mrs. William Kavanagh and Miss Jean Kavanagh, all of Toronto, Miss Dorothy Rattel, Milliken, P.O. Jim Perriott and P.O. Charles Spring, Rivers, Man.

GREAT EXPECTATIONS

By Isabel Inglis Colville

No, I'm not plagiarizing Charles Dickens, nor writing a synopsis of his book. I'm writing about a perennial something that crops up fresh every year.

No gardener, who can roll off the Latin names of his treasures as a sergeant can roll off the list of names on his parade slate, need read this, for this is the annual record of great expectations, which to a great extent REMAIN expectations.

Every year when the seed catalogues arrive, I pounce on them, and study them with a mixture of hope, admiration, and, lurking in the background of my brain like a bit of poison, despair.

The glowing beauty of the flowers, the mammoth, luscious looking fruits and vegetables all intrigue me, and although there is nothing in my past gardening experience which presages future success, yet I buy seeds and seeds, although I haven't the faintest idea where I will bestow them.

Then I go out and look at my flowers, which this year seem to have no sense of decorum. A few years ago, some person with a mistaken sense of kindness presented me with some roots of something which they said bore yellow flowers profusely, they also said it spreads a LITTLE. Now, like Sinbad's old man of the sea, if not on my back, it is always at my feet, spreading, spreading, spreading, 'til I feel that the image of it will be graven on my heart, as Calais' was said to

be on Queen Mary's.

I pull and I pull, and it exudes a horrible white sticky substance—I'm sure it would make rubber—but it grows underground, and where I thought—I was rid of it, up pops a round pinky green head, and it's all to do again.

Then, to add insult to injury, a friend came along one day and told me it was graveyard moss, a noxious weed!

So I pull some more, but in my dreams, this horrible yellow peril pursues me relentlessly. Then I will forget where certain things are, and plant other things near, or on top of them, which if they do not kill the original settlers, usually show a violent antipathy to them in the matter of color or size.

In a moment of forgetfulness, I planted a deep red peony, cheek by jowl with a brilliant scarlet umbellatum—the result—a nightmare! However, however amateurish the effort, there are certain lovely facts that even an amateur cannot spoil. They are made fool resistant by the hand of the great Creator for such as me.

The iris blooms in all its lovely hues and stately beauty; the lilacs shed their exquisite perfume on good gardeners and poor alike; the roses lift their lovely heads to smile at me as sweetly as if I were an expert, and even my failures teach me some! "I hope."

So I go on year to year, always hoping, always with great EXPECTATIONS.

Will Never Get Back, Lord "Haw-Haw" Said

Mrs. Wm. Britton, Toronto, Miss Anne Johnson, Toronto, and Sgt. Elton Britton, who has just returned from Jamaica, were weekend visitors at the home of Rev. and Mrs. W. H. Britton.

Rev. Dr. Leo McCabe Johnson of Knox Presbyterian church, Toronto, was the special preacher at the Queensville Baptist church on Sunday. There were splendid congregations.

Sgt. Britton, who has just returned from Jamaica, brought a stirring and interesting sermon in the evening mentioning many of his experiences during his year and a half stay with the Canadian army in Jamaica. "Lord Haw-Haw" had boasted over one of

his broadcasts that "Canadian troops leaving Jamaica would never reach their destination!" Their arrival proved that this was another idle boast of this Nazi lie manufacturer. An attempt to torpedo the ship failed.

Sgt. Britton, who was preparing to study for the ministry before the war, and joined up after war was declared, did quite a bit of preaching while in Jamaica.

Next Sunday the services in the Queensville Baptist church will be at 11 a.m. and 7.30 p.m. Sunday-school will meet at 2.30 p.m. In the morning Rev. Britton's sermon subject will be "My Multi-Millionaire Friend." The evening subject will be, "Behind the Dictators."

## YOU MUST MAKE A 1942 INCOME TAX RETURN NOT LATER THAN JUNE 30TH

...IF SINGLE and your net income exceeded \$66000  
...IF MARRIED and your net income exceeded \$120000

For incomes not over \$3000 get two (2) copies of simplified Form T. 1 Special  
For incomes over \$3000 get three (3) copies of Form T. 1 General.

Income Tax dollars are not ordinary dollars... they are Victory dollars... necessary dollars to help win the war. Income Tax is fair to all. All are taxed in proportion to their ability to pay.

Under the new system introduced this year, Income Tax is now on a pay-as-you-earn basis. The reduction of the 1942 Tax made this possible.

In most cases the larger part of the reduced tax will have been paid by the 1942 tax deductions or instalment payments. One-third of any balance must be paid by 30th June and the remainder on or before 31st December, 1943.

You must file an Income Tax return and pay any balance to establish your right, after the war, to the refund of the Savings Portion of your tax.

If you are a salary or a wage earner, your employer can probably supply you with Income Tax Forms—otherwise, they are available at your local Post Office or the office of your District Inspector of Income Tax.

Over 2,000,000 Canadians will be filing returns and paying taxes... avoid the last minute rush. If you wait, illness or other unforeseen circumstances may prevent you from getting your return in on time. Avoid penalties by sending in your return NOW!

### FARMERS

You must attach to your return on Form T. 1 Special or Form T. 1 General either a statement of your gross income and expenses, or completed Farmers T. 1 Supplemental. The T. 1 Supplemental itemizes all forms of farm receipts and expenses, and is a guide for determining your actual net income. Forms may be secured from your local Post Office or District Inspector of Income Tax.

To help you fill out your Income Tax forms a booklet ("Farmers' Income Tax Guide, 1942") has been prepared to cover the special conditions which apply to farm operations. It can be obtained free on request from your District Inspector. If you don't know his address, just mail your letter to "District Inspector of Dominion Income Tax."

### DELIGHTED WITH BOX FOR BRITAIN CONTENTS

Mrs. George Smith has received the following letter acknowledging a "box for Britain" sent to Mrs. Kate Aitken.

"Would you please convey our thanks to all the ladies who assisted in contributing such a wonderful box to our 'Box for Britain.' We just opened it this morning and were so delighted with all the exquisite baby clothes, layettes, towels, little sweaters, bonnets, booties, diapers, blankets and the two little outfits, even to shoes.

"Every time we receive a donation from you it amazes us more and more at the kindness and helpfulness of the ladies of Newmarket and we can only repeat again and again how grateful we are to you all."

## Gathering the Sport Facts

"Bucketfoot" Al Simmons has returned as an active baseball player again after sitting out the past three years as a coach of Connie Mack's Philadelphia Athletics. A few years ago Al was a star with this same team and thinking about him brought up the subject of the proper way to bat, and the changes that have been brought about in the past few years.

The old-timer would tell a rookie breaking in today to step forward and meet the ball with all the power of the shoulders and the body. That is the way they used to do it years ago. Things have changed in this modern day and age. All rookies breaking in today are told to forget about the power behind the body and concentrate on hitting with the forearms and wrist. Ted Williams and Joe DiMaggio are two of the greatest examples of this.

Williams, who until he joined the United States air force was the greatest batter in baseball, hits entirely with the forearms and wrist. In this way he can judge a ball much better. He even says that he can hit a fast ball and not swing at it until it is five feet from his body. His eyes are so good that he also claims he can see the ball meet the bat, something which even a high-speed camera cannot pick up without blurring the picture.

But Al Simmons was a different type than any other great batter and that was how he picked up the name of "Bucketfoot Al." Al had years of study put on his batting by experts but he still backs away from the plate on every pitched ball. He practically took down every honking or in batting that it was possible to pick up during his 18 years in the majors and when he laid down the bat temporarily in 1939 he had an all-time major league average of .336. Many of the experts who tried to show him the proper way to bat and how to stand at the plate would like to have his average today.

Fans who attend the hardball games here in town shouldn't get too excited over bonehead plays that are pulled over at the school grounds. They pull similar ones in the major leagues. We were reading about one the other day. Three members of the Brooklyn Dodgers tried to occupy third base at one time. "Dazzy" Vance was on second and Johnny Frederick on first. "Babe" Herman smashed one against the outfield fence, and Vance trotted slowly to third, all the time watching the ball. Frederick was right behind him. The next thing that happened was Herman sliding into third base, already occupied by Vance and Frederick. Three major league ball-players on one base, at one time. Still I suppose that was nothing unusual for the old Brooklyn Dodgers.

## BACK AT JOB AGAIN, FINDS LIFE LONELY

"I am writing a few more lines thanking you again for the gift parcel of cigarettes which I received today," Gnr. T. Wadsworth writes the Newmarket Veterans Association Soldiers' Comforts fund, from Newfoundland. "I was so busy when I was home I hadn't much time to go around and see anyone. I came home just in time to take the children to the hospital to have their tonsils out, and of course I am the nursemaid when I am home.

"You know, things are different back home now. It seems different from what it used to be. I hardly knew anyone, as there are so many new residents, but just the same, nothing like the good old town. I had a good time with my wife at the dance which was for the benefit of soldiers who are serving overseas, and I'll be glad to return home for good after this war is over, and who wouldn't be?"

"Anyhow, I am doing my duty and willing to go any place they send me. Things here haven't changed any and it is so miserable at nights. There is nothing much to do, only play cards or a good game of poker to pass the time away, which is my favorite game.

"Well, I haven't much more to say for now, only mum's the word from here. We can say nothing out of the way, as the mail is censored (and how!)"

### Voided Meat Coupons in Ration Cards

If the Spare "A" Meat Coupons in your temporary Ration Card are voided by horizontal black ink lines, you must secure new valid Coupons in order to purchase meat. The only temporary Ration Cards to which new meat Coupons will be attached are those whose life extends beyond May 27, 1943. Applications should be made to Local Ration Boards, and must be accompanied by present Ration Cards.

### Lost Ration Books

If you find a lost Ration Book you should mail it at once to your Local Ration Board. When you turn in the found Ration Book be sure to state that you found it.

### Damaged or Destroyed Ration Books

If you lose your Ration Book, or damage it so that it is no longer fit for use, you should report the fact to your Local Ration Board at once. In such cases arrangements are made to issue a temporary Ration Card good for 30 days, pending investigation and issuance of a new book.

### Meat Allowance for Medical Cases

Extra meat rations will be provided for diabetics or coeliac

cases only on the recommendation of a doctor. Applications, along with doctor's certificate, should be sent to the nearest branch of the Ration Administration. Diabetics who have already surrendered to the Ration Administration sugar Coupons from their ration books need not present a second certificate from a doctor when applying for extra meat rations, providing the amount required is not in excess of the maximum allowed.

### Meat Ration Charts

Be sure to take your Meat Coupon Value Chart with you when you buy meat. It saves time... makes buying easier. If you have not received one, or have lost your copy of this chart, apply to your Local Ration Board for another.

Merchants requiring additional Meat Coupon Value or Wholesale Meat Value Charts may also secure these from their Local Ration Board.

Housewives are urged to see that the correct Coupons—and the right number of them—are taken by the delivery boy for any rationed commodities she buys and has delivered to her home. If a grocer does not get the proper Coupons to cover his sales, he can't buy the proper amount of replacement supplies—and therefore will be unable to take care of his customer's future needs.

## The Ful-O-Pep Plan Helps Poultrymen Make Substantial Savings on the COST OF FEEDING NEW PULLETS

Some have asked why a commercial feed manufacturer advocates a plan of restricted feeding. The answer is simple. By advocating this basic principle in the Ful-O-Pep Rearing Plan, substantial economies are possible to alert poultrymen, and at the same time he can raise a stronger, healthier bird than by unlimited feeding.

With Ful-O-Pep Chick Starter\* and Growing Mash\*—containing the remarkable Vitamin Boost and so exceptionally rich in nutritive value—as a foundation of the Ful-O-Pep plan, poultrymen may complete the growing ration with whole oats and scratch grains, thus saving considerable money.

We believe this to be an important contribution to the practical poultryman's method of operation.

### In Memoriam

Hillaby—In loving remembrance of George Hillaby, who died June 10, 1912. One long year has passed and gone. Dad,

Since you laid down to rest Your head upon your pillow And your hands across your breast.

Dearest Dad, we have told you In your peaceful grave's embrace, But your memory will be cherished Until we see your heavenly face. Ever remembered by wife and family.

Horne—In tender and loving memory of a dear wife, mother and grandmother, Mrs. Marmaduke Horne, who departed this life on June 11, 1912.

God knew that she was suffering, That the hills were hard to climb, So He closed her weary eyelids, And whispered, "Peace be thine." Away in the beautiful hills of God, By the valley of rest so fair, Some time, some day, we know not when We'll meet our loved one there. Always remembered by husband and family.

Moss—In loving memory of a dear husband and father, John Oliver Moss, who passed away June 7, 1911. Nothing can ever take away The love a heart holds dear, Fond memories linger every day, Remembrance keeps him near. Sadly missed by his wife and family.

McGhee—In loving memory of a dear daughter and sister, Nellie, who passed away June 13, 1919, at Cane's explosion. Somewhere beyond the shadows Dwell a dear sweet sister of ours Whom we looked on as a treasure, Whom we cherished as a divine. But God called the one loved away. Forget you, dear Nellie, no, we never will. As years roll on we miss you still, The blow was great, the shock severe, We little thought the end was near; It is only those who have lost can tell The sorrow of parting without farewell.

### CHRISTADELPHIANS

The Jewish nation came into existence when the descendants of Jacob were delivered through Moses (under God) from the bondage of Egypt. They assembled at Sinai where God gave them a law and they were constituted a Holy nation. It was then made clear to them that the tenancy of Canaan was conditional. Blessing for faithfulness, cursing for disobedience, which they understood. Exod. 3: 15, 18; Exod. 19: 5, 6, 8; Deut. 30: 15-20; Lev. 26: 3, 14, 40.

Read "CHRISTENDOM AS-TRAY" in all public libraries or from HOWARD TOOLE, MT. ALBERT, or THOS. BRIGGS, PEPPERHAW, R. B. 2.

The branch secretaries' reports are to be condensed to three minutes.

Before coming to the district annual each branch should decide what project from the new co-operative program they would like to take.

Former School-Teacher,  
Walter Rolling Dies

Walter Rolling died suddenly at his home in King City on Tuesday morning, following a heart attack.

Born in Laskay, the son of the late Benjamin Rolling, he received his education at Strange public school, Aurora High school, Newmarket Model school, and Toronto Normal school. He married Laura E. Clark, Uxbridge, in July, 1920. After 41 years of teaching at the Kinghorn school section, he retired in 1936.

Mr. Rolling was secretary of the King City cemetery board and a member of King public school board. He attended Eversley Presbyterian church and was keenly interested in the welfare of the community.

Surviving besides his widow, is a sister, Mrs. Walter Lightfoot, Toronto.

The funeral service was held this afternoon from the residence. Rev. C. H. Bowman, Maple, conducted the service. Interment was at King cemetery.

HAVE PRETTY MAY  
CHURCH WEDDING

A pretty wedding was solemnized in St. Mary's Anglican church, Richmond Hill, on May 29, when Dorothy Elizabeth, daughter of Mr. and Mrs. Sidney A. Barraclough, became the bride of Earl Stuart Lowe, R.C.A.F., son of Mr. and Mrs. H. J. Lowe, Newmarket. Rev. W. F. Wrixon officiated and the bride's aunt, Miss Emma G. Barker, sang. Miss Lucy Yerex was at the organ.

The bride, given in marriage by her father, wore a dawn blue slipper gown, a full-length veil of white tulle falling from a Mary Queen of Scots bonnet, and carried a cascade of white Swanson's sweet peas and lily-of-the-valley. The bride's cousin, Miss Florence Barker, was maid of honor, and wore a gown of twilight blue slipper gown with a miniature of the bride's shower bouquet with pale yellow and apricot shaded roses.

The two bridesmaids, Miss Edith Barraclough, cousin of the bride, and Miss Jean Richards, were in matching street-length frocks of cornflower blue faille, and Mary Queen of Scots bonnets with blue chin veils. They carried tiny showers of blue cornflowers with yellow and apricot roses.

Mr. Murray Boyd was best man, and the ushers were Howard Boyd and Donald Barraclough (R.C.O.C.), brother of the bride.

A reception was held for the immediate families at the bride's home where her mother received in a teal blue ensemble and small flowered hat. Her corsage was of American Beauty roses. She was assisted by the groom's mother, who wore black and white printed triple sheer with a small white hat and corsage of white sweet peas.

The couple left on a wedding trip, the bride going away in a sunni blue printed dress with navy ribbon hat and navy accessories.

SPRING FLOWERS  
FORM JUNE SETTING

Baskets of mixed spring flowers formed the background for a quiet wedding Saturday afternoon in St. Clair United church, Toronto, when Marion Elizabeth, daughter of Mr. and Mrs. James Ferguson, became the bride of John Perry, son of Mr. and Mrs. Frank Perry. Rev. J. E. Todd performed the ceremony.

The bride, given away by her father, wore a white silk jersey street-length dress, with draped pill box hat and shoulder-length veil. She carried a bouquet of red roses and white carnations. She was attended by her sister, Miss Ruth Ferguson, who wore a pale gold silk jersey dress with blue accessories and carried pink roses. Mr. Paul Black, cousin of the groom, was best man.

A reception was held at the home of the bride's parents for the immediate families. The happy couple left for a short trip, the bride wearing a black tulle suit with red accessories and silver fox fur. On their return, they will reside in Toronto.

Would Like Teachers  
To Farm For Summer

P. J. Tod, Newmarket, manager of the local employment and service office, stated this week that he had received special instructions originating with Arthur MacNamara, director of national selective service, that special efforts must be made to absorb school teachers into farming or other essential work during the summer holidays.

"Hon. Humphrey Mitchell, minister of labor, recently issued an appeal to school teachers to engage in farming or other essential work during the summer time," Mr. Tod said. "The minister appealed to teachers not to regard the closing of the schools this year as a holiday, but rather as an opportunity to aid directly in solving Canada's war-time labor problems."

Mr. Tod said that the local employment office will give special attention to registering teachers either for work in this district, or for essential work in their home locality or even elsewhere, depending upon where work is available. It is not the intention of selective service, Mr. Tod said, to keep teachers away from the special summer courses which they are sometimes required to take. He said that teaching itself is a high priority occupation, and that the present intention is to get teachers to accept jobs for the summer only, after which they will return to the teaching profession.

TEACH YOUNGSTERS  
TO PLAY BASEBALL

Bill Holloway and Leonard Simmons are coaching a group of 20 or more lads, from 12 to 16 years of age, on the fine points of baseball in the town park on Tuesday and Thursday nights.

In a few weeks one or more teams will be formed to battle it out in big league style. Alex Kirkwood provided the group with some new baseballs, bats, deker, mask and leg guards.

The kids are taking to hardball fast. Mr. Holloway told The Era and Express, "All boys are welcome to come out and practice. You can't expect to do too much with the kids the first year, but by fall we should have some pretty fair boys ready for action."

There will be minor baseball in the park two nights a week, with Mondays and Wednesdays devoted to softball.

Pte. Kenneth Scott, Argyll-Sutherland Highlanders, Niagara, who has just returned from Jamaica, has been visiting his father, Lewis Scott, Kilmhorn.

P.O. "Bud" Richardson, who was on service in the Middle East, is now an instructor at Mount Hope R.A.F. centre, Hamilton. He is the son of Mrs. C. S. Richardson, Briar Farm.

LAC Anson Gilbert is now stationed at Centralia, Ont.

Pte. Arie Barselaar, Brampton camp, spent the weekend at his home.

Flying Officer John Sisman and Mrs. Sisman, Quebec city, are spending two weeks furlough in town with their parents.

Gnr. Jack Stone, formerly employed with Scanlon's bakery, is stationed at Petawawa camp.

AC2 Wm. Richardson, Galt, spent the weekend with his parents, Mr. and Mrs. Dalton Richardson.

Murray Hunt, Richmond Hill, well-known North York athlete and former member of C Coy., Queen's York Rangers, has joined the Canadian navy.

Pte. Wes. Heaney, Stanley barracks, spent the weekend with his parents, Mr. and Mrs. George Heaney.

Tpr. Ben. Case, Camp Borden, spent the weekend with his wife and parents, Mr. and Mrs. Ralph Case.

From Aug. 1 to 15 the 2nd battalion, Queen's York Rangers, will attend summer camp at Niagara.

Tpr. Lloyd Watson, Camp Borden, spent the weekend with his mother, Mrs. W. Watson.

Pte. Lloyd Robb, King, is now stationed at a Quebec training centre.

Pte. Gordon Boaks, 1st battalion, Queen's York Rangers, who is now stationed at Camp Borden, spent the weekend with his father, Mr. William Boaks.

No Solution Of Closing  
Conundrum Is Reached

A repair bill of \$179.60 for one of the town trucks gave some concern to members of the Aurora town council on Monday evening.

Councillor A. A. Cook, chairman of the water committee, said that no flow of water had been secured at a depth of 306 feet from a well sunk behind the waterworks.

Mr. Cook reported that an agreement had been reached with Chas. F. McCabe for sinking a well on his property. The town was paying \$50 for the necessary easement.

It was agreed that the water and light committees would

function separately, although the working staffs had been combined.

The council authorized purchase of a light truck for the use of the department.

No action was taken about early closing petitions before the council last month. Mayor Frank Underhill said that the solicitor had been unable to determine in which category of business several stores belonged.

"The merchants should get together at the board of trade and decide what they are going to do and then come to us," the mayor said.

Will Hold Another Town  
Tax Sale, Council Decides

Tax collections are up \$3,000 this year compared with last year, and tax arrears collections are down \$600, Deputy-Reeve C. E. Sparks, chairman of the finance committee, reported to Aurora town council on Monday evening.

"Dog taxes are down, and I think that there are double the number of dogs in town this year," said Mr. Sparks.

Mayor Frank Underhill and Mr. Sparks confessed that they had been advising citizens who complained about dogs running at large to shoot them if they caught the dogs on their own (the complainants') premises.

The town had expenditures of \$37,426 since the first of the year, and in addition has repaid the bank \$37,400. There was now a bank balance of \$2,070, but an indebtedness to the water department of \$6,000. The town's position was about \$1,000 better than a year ago, said Mr. Sparks.

The council passed a resolution ordering E. E. Scarlett to clear a lot at Harrison and Edwards Sts. of all buildings by Dec. 7, unless he fulfils an agreement with the town to build a house on it. Council members said that

Mr. Scarlett had built a garage on the property and that he was turning the garage into living quarters.

On the motion of Councillors Ross Linton and A. M. Fisher, the council decided to hold a tax sale this year of properties with 1938 arrears owing. The council did not include 1939, in order to give persons who had saved their properties from the tax sale last year a little longer to pay off money they had borrowed.

Clerk A. C. A. Willis said that a sale to include 1938 and 1939 arrears "would work a hardship."

The council accepted a recommendation of the board of health that the salary of J. E. Walker, Aurora mail inspector, be increased from \$200 to \$250.

"What are the duties?" asked Councillor Dr. G. A. C. Gunton.

Deputy-Reeve C. E. Sparks said that the inspector visits every three months farms that ship milk to Aurora, and takes monthly samples of the pasteurized milk from the two dairies and sends it to Toronto for analysis, as well as inspecting the dairies. There were 60 farms to visit during the summer months, Mr. Sparks said.

## WITH THE CHURCHES

Rev. Henry Cotton of Trinity United church, Newmarket, preached on "The Valley of Indecision" at the morning service of Aurora United church on Sunday.

Rev. Roy Hicks took the service at Newmarket. During the next three months only a morning service will be held at the Aurora church.

The W.A. of Aurora United church held a garden tea this afternoon, with Mrs. Charles Bilbrough as convener.

Next Sunday afternoon the men's class of Aurora Baptist church will provide a Sabbath program for the inmates of York County Industrial Home.

The evening auxiliary of Aurora United church packed a bale for the mission field on Monday evening.

Rev. Roy Hicks was the guest speaker at the Sunday afternoon meeting of the men's class of Aurora Baptist church.

The W.M.S. of St. Andrew's Presbyterian church will meet tomorrow afternoon at the home of Mrs. William Green.

Rev. W. G. Rivers, Bolton, will preach at Aurora United church on Sunday. Rev. Roy Hicks will preach at the anniversary service of Bolton United church.

The Parents' class of Aurora United church held a lawn bowling party on Monday evening on the local greens.

## TAG NETS \$108

As a result of the Navy League tag day on Saturday \$108 was realized for the important work of providing comforts for the men of the navy and merchant marine.

Girl Guides were the efficient taggers, and they met with a generous response from the citizens. The Navy League committee expressed thanks to all concerned for their willing co-operation.

QUESTION FEE

A special account of \$150 from Hiltorn, Williams & Co., town auditors, was referred to the finance committee by Aurora town council on Monday evening.

Deputy-Reeve C. E. Sparks, finance chairman, said that the account was for extra work done over a period of years, and was in addition to the annual fee of \$350 a year.

PASSES EXAMINATIONS

Miss Marian Thompson, daughter of Mr. and Mrs. P. M. Thompson, has been successful in passing her first year occupational therapy examinations at the University of Toronto.

Mr. McMillan, husband of the former Edna Malloy of Aurora, was born in Whitchurch township and attended Newmarket and Aurora schools.

Reg. Sgt.-Major William James of the 1st battalion, Queen's York Rangers, Niagara, received the M.B.E. Another recipient was Lt.-Col. Medhurst of Toronto, a former officer of the county unit.

COUNCIL DECIDES TO  
USE HYDRO LAMPS

Long-life Ontario Hydro-Electric lamps, engineered to "give 1,500 hours as against 1,000 hours by those of any of our competitors," were offered to Aurora town council for municipal use and for re-sale by Mr. Hardy, a representative of the sales department of the Ontario Hydro-Electric, at a council meeting on Monday evening.

"We lose five percent lighting efficiency by adding the 500 hours," said Mr. Hardy. "You can't have your cake and eat it too. The other lamps are taken as the standard and are rated as 100 percent efficient. Ours are rated at 95 percent."

Mr. Hardy said that the bulbs are manufactured for the Ontario Hydro on the understanding that they will be offered for sale only through municipal outlets. There was a 28 percent discount if the town used them for street lighting, and a 33 percent discount if the town offered the bulbs for sale to the public.

"What about the price?" asked Deputy-Reeve C. E. Sparks.

"It is the same as for other makes of bulbs," said Mr. Hardy.

Mr. Hardy said that most industries purchased their light bulbs wholesale and suggested that the town should supply their needs.

"Do you think that the Hydro will ever give free bulbs to boost power sales, as in Detroit?" asked Councillor Dr. G. A. C. Gunton.

"I doubt if Hydro ever will," said Mr. Hardy. "If you want to buy bulbs and supply them to the public free or sell them for ten cents, that's up to you."

"You can make a bulb that will last a life-time," said Dr. Gunton.

"I know that you can make lamps to last 5,000 hours," said Mr. Hardy.

"A firm told me that they sold 1,000-hour lamps for replacement sales," said Dr. Gunton.

"We have an agreement designed to protect private enterprise outlets," said Mr. Hardy. He then went on to say that adding 500 hours life to the bulbs meant a loss of five percent in light efficiency.

"How much would the efficiency go down for 5,000-hour lamps?" asked Dr. Gunton.

"Not proportionately," said Mr. Hardy.

On the motion of Councillors A. N. Fisher and Ross Linton, the council decided to buy Hydro bulbs for town and street-lighting purposes and for Aurora industries that might want them.

ACCEPTS CALL

Rev. W. A. Westcott has received a call to Fiesherston. The family will move there at the end of this month.

FALLS AND BREAKS HIP

Mrs. S. J. Eade, Toronto, a former Aurora resident, had the misfortune to fall and break her hip and is in the Wellesley hospital. She is the mother of N. E. Eade, Aurora.

UNDERGOES OPERATION

Mrs. Evelyn Andrews underwent an operation at York County hospital on Sunday. She is progressing nicely.

## FOUR BROTHERS AND A SISTER SERVE

Pictured above are three sons and a daughter of Mr. and Mrs. Percy Cutler, Ballantrae, all on active service. They are Ronald, in the Royal Canadian Artillery, Aileen, in the nursing corps, ville. Another brother, Rev. Cyril, in the Royal Canadian Artillery, and Eric, R.C.A.F., who has just received his wings. They attended school in Stouffville. Their father is a veteran of the first Great War.

Merciless McComb Mows  
Down 12 Aces' Batters

## DOWN THE CENTRE

"Red" Mahaffey, giant sorrel-topped pitcher for Newmarket camp softballers last season, is now located at Camp Borden, where he is a "Louie," or 2nd lieutenant in non-army vernacular. "Red" is with the provost corps. Saw Cpl. Al Wysinski the other day as we were at the Borden railway terminus to meet an incoming draft. Al was in charge of the Newmarket contingent and was busy-droning off a long list of names for the various centres. The husky corporal the night previous had played a star role in the initial win recorded by the Camp

softballers in their current campaign for honors in the Davisville senior loop. The win was over Ordinance corps.

Saw Bernie Gantner, the softball and hardball stalwart with the infantry laddies bound for All training centre, and managed to have a few moments chat with the "Sarge," who sends greetings to his friends down Newmarket way. His loss is a serious one to baseball and softball at the Camp. Bernie hopes to be bound for overseas in the not too distant future.

Ordinance corps, who from all accounts have a pretty fair softball club, number among their lineup, opposing the Redmen, several boys who performed in the Aurora town league and for the championship Aurora Ordinance hockeyists last winter.

Bobby Lynn, rotund netminder, is doing his task behind the bat in his usual chipper style. Lynn has a nice line of chatter.

Johnny Callanan, the smooth hockey sniper who burned up the Aurora town league play-offs, but was subsequently refused permission to play in the O.H.A. play-downs, is at shortstop, while Doug Adams, another member of the Ordinance club, is at shortstop for Army Daggers in the Beaches league.

Lloyd Finkbeiner, who performed for Midland intermediates against Sutton Greenshirts two winters ago, is at the initial sack for the luckless Daggers. Finkbeiner is ace high at all sports.

Sunday softball at Lake Wilcox ten or 12 years ago or better was popular with many of the younger fry in North York, who saw the summer residents enjoy themselves at mullish. One of the features of those days was the brother act put on by Jerry and Harry Hawkshaw of Toronto. Jerry was a

peg-leg pitcher, while Harry was a catcher or outfielder, both top-grade performers. Well, Harry is still going strong and is parked in the outfield for a Toronto jewelry firm, who are also performing in the Davisville league.

Don Grosskurth, Weston, who a few years back played a few games for Aurora juniors and was then claimed by a weak Richmond Hill club, which probably delayed the junior C title to Charlie Rowntree and his associates by a year, graduated from the School of Science last week in Toronto and is already army bound. Don has been a standout performer in university sports during the years when, because of the war, athletic performances went unnoticed by the ho-pollio. On graduation day Don received an award from the university for "outstanding contribution to university life." Younger brother Teddy Grosskurth guards the nets for St. Catharines seniors, while dad, Warren Grosskurth, well-known in municipal circles is a pretty smart lawn bowler.

Ted Johnson, well-known Aurora high athlete, left last week to join the armored corps. "Johnny" is the son of Capt. Norman Johnson, who is also with the black beret lads. While never the outstanding athletic performer his father was, Ted turned in some fair performance at soccer, basketball and track. He has been a member of the Queen's York reserve unit the past two years and is about the same age as his father was when Norm went on active service in the Great War. Did we hear you say, "Like father, like son?"

Kenny Dixon, who was an outstanding junior defenceman for Oakville juniors in the local hockey group two years ago and last year was a teammate of Del Beaumont with Marlborough juniors, is a member of the lacrosse team at Brampton camp. The Brampton training centre, who surprised the hockey firmament by dousing the Newmarket Redmen, are really forging ahead in the sports world and aside from their lacrosse enterprise boast a real hardball nine. Major Adams, Lieut. "Bing" Caswell and C.S.M. Edwards are again in the thick of everything.

Toronto, looking with an eye to the future, have signed Don Sutherland, sensational young Owen Sound hockey goalie, to a certificate and if Turk Broda does go active Sutherland will be on deck. Last winter the 17-year-old youngster gave Aurora Ordinance their biggest tussle for intermediate honors. Broda, contrary to an early rumor, is still a civilian and engaged in war work. Chances are Sutherland will be farmed out but he is plenty good hockey insurance for the next winter. Personally, we would not bet too heavily on there being any N.H.L. hockey next winter. If they do carry on, the calibre will be even lower than last winter, which, despite the ballyhoo of good press agents, reached a new low. Hockey like this can only go on so long as Mr. John Public will continue to bite at the gate. We'll take junior

hockey for ours any day in the week.

Bobby Hales, who was a standout player with Windsor Colonials against Aurora last winter and before that for Chatham Maroons and in England, turned up at Borden this week and we were more than pleased to see him. Hales is a nifty softballer and his team last year was one of the best to defeat Chatham camp. Peters, another hurler from Kingsville, Heron, a dark-cloud catcher from Detroit, and Morin of the Orilla camp team were other prize packages we drew for our softballers, and life appears a bit rosier to us now. Incidentally, Bobby says Chatham camp has lined up an even stronger team than the one which trounced the boys from No. 23 and won military honors. Are you listening, Sgt. Exelby?

Kenny Doyle, Willowdale, who worked as a battery mate with Charlie Prescott for Richmond Hill softballers on more than one occasion and has been pitching softball for many years in Toronto, is tossing them over again in the Davisville circuit, and hopes to best Newmarket camp first time out. Kenny never was a respecter of canal-town softballers.

At Lee Hall on Saturday night as we prepared to enjoy the authentic thriller, "Desert Victory," we were a bit surprised but well pleased to shake the hand of an old friend, Lieut. Hales. Looking dapper as could be and the pink of condition, Wes, told us he was stationed at a Borden infantry centre, had given up softball and hoped to be on his way overseas shortly. Wes looked every inch an officer and is doing a fine job, just as he did on the softball diamond, even if we couldn't see all his merits then. He was one of the best ever to appear in the York-Simcoe loop.

We can recommend the epic of Montgomery's men to you as one of the best we have ever seen. Team-work was never better displayed than by the 8th army, R.A.F. and navy when they routed Rommel's roughies and saved the Middle East.

Speaking of the flickers, as the lads back from overseas say, we recommend to you the weekend feature being shown at the Royal theatre by that old maestro of the film world, Ed. Warren.

Ed. has Errol Flynn and Alexis Smith booked in Gentleman Jim, and we know no sports fan or growing lad will want to miss it. While not entirely authentic, the prize fight scenes are pipereous and, when we saw it, the army crowds rooting. The era was a colorful one and we particularly liked John L. Sullivan. This Smith gal, too, has something which will appeal to the ladies too. Need we say anything about Mr. Flynn?

"Gunner" Gill is a name you lacrosse and hardball fans of a decade ago will well remember. Gill was secretary of the tri-county lacrosse loop when Frank Doyle was president and mentored Camp Borden lacrosseists as well as giving Allstate juniors and others a hand. He refereed one of those hectic Orilla - Richmond Hill games. He was also prominent in baseball in Barrie and all sports at Borden. Well, Gill is at it again. This time on active service as a flight-lieutenant at Winnipeg, he has his R.C.A.F. hardballers the talk of the western metropolises. Besides being a good coach and official, "Gunner" was a press agent de luxe, and we are glad to see him back on the job. More power to him.

Softball rule change since the start of the present season is one requiring the tapping six inches of all handles on bats. In a minor game in Hamilton a lad was killed because of this omission and so softball solons moved fast to make it an official rule.

As a rule we do not go for the effusions of Andy Lytle, well-known Toronto sports writer, but we quote without comment a bit of fearless writing by him: "There are some hockey players in our town (Toronto) who any they intend to join the armed forces shortly. Meantime they are looking for what is known as a spot. They will rise to the service hook which flashes the prettiest bait... a number of gentlemen who fought well at hockey last winter are being rewarded with commissions. No doubt they will make excellent officers. I suppose we may assume this is the democratic theory working out in practice."

Gillespie is a name well remembered by sports fans in North York. In 1937-38 Doug Gillespie of Orangeville, practically singlehanded, eliminated Aurora juniors from the junior C hockey finals. For two years after that he was a linemate with our own "Scotty" Muir. Next it was Grant ("Red") Gillespie, a member of that same Orangeville team, who in 1941 appeared on the scene for Milton juniors to out Markham juniors. The same year two other Gillespies, Walter and Ralph, were leading Orangeville juveniles to a provincial title. Besides these four sons of Mr. and Mrs. Charles Gillespie of Orangeville is the oldest son, Bill, now 27 and, while not so well-known as a hockey and lacrosse star, just as good as the others. The quintet are all on active service now. Bill and Doug, overseas with the army and the younger three in Canada with the R.C.A.F., a fine record of which sportsmen can be proud. Their playing ability was derived from constant practice on a vacant lot, made into a lacrosse field and ice rink by an obliging dad to keep his boys out of mischief. It worked too.

The Lions club down at Richmond Hill must have been sending our message to the Newmarket Lions club, for we note that they have this month undertaken to provide an organized program of recreation and sports for the kids in the Hill. The village park will be the centre of activities, and baseball, volleyball and other sports plus organized swimming, hikes, and corn roasts will be included in a plan to improve the lot of the youngsters. Fortunately, in the person of Grant Nighswander of the public school staff, former secretary and captain of Markham juniors, the Hill Lions have a man to supervise and do a real job of boys' work, and they deserve real credit for their vision and public spirit. We hope others will follow suit in a similar pro-

Accounts approved by Newmarket town council on Monday evening included: Jas. E. Sloss, \$12.20; \$5.45; Kenneth Mount, 55 cents; Mrs. J. O'Brien, \$1.50; Parlin's Flower Shop, \$10; Hydro-Electric Power Comm., \$3,139.55; Filley & Gordon, \$27.23; Elma W. Campbell, \$2.45; J. S. Booth, \$8; Geer & Byers, \$23.25; F. H. Robinson, \$31; Taylor's service station, \$25.40; Office Specialty Mfg. Co. Ltd., \$9, \$2.10.

Joseph Vale, \$1.20; Postmaster, \$3; Canadian National Railways, \$1.60; \$21.48; Frank Bowser, \$1.10; Geer & Byers, \$15.50; County of York, \$66.12; Max Grantham, \$225.

By using Era and Express classified columns you can make and save money.

What about Aurora? Well, there isn't even a Lions club there to start the ball rolling, but some fast action by the board of trade could remedy a situation that has needed action for years—the providing of a safe recreation centre plus supervised sport for the kids in town. Even Rip Van Winkle woke up eventually.

Bunny Glover, fast-skating forward of the Aurora Ordinance club, is slated to hold down third base for the present R.C.O.C. team, with Casey's Aces seek mullish playmates.

Will White, back from overseas, will take up where he left off, as the fastest outfielder, with the exception of "Red" Laking of Barrie, in the entire district. "Joint" McComb and a stocky portside are ready for the mound, while Briggs Creighton and Charlie Case, along with several of the hockey boys, are ready for action. They hope to hook up with Newmarket camp in a series and awaited the boys from 23 one night last week for an exhibition tilt until darkness intervened.

Aces have been practising faithfully and expect to lure Harvey Gibney back into action. Most of last year's team, including Duke ("Sluggery") Dennis and Morley ("Smookey") Cook are ready for action. One good club could be formed if somebody would take over the job. Meanwhile the Depot and Aces will meet in a series of matches. Wonder who Charles ("Gabby") Case will play for? Probably for both teams or we miss our guess.

"What's the use of trying to beat Ordinance?" one softball executive told the writer. "As soon as they start to lose they'll bring in all the players they need from elsewhere." Aces, however, are not worrying too much. They remember the past hockey season and with Newmarket to draw on can pick up a few plums if they have to.

The Bogartown Community club picnic will be held at Wilcox Lake June 25. A pot luck dinner will be served. There will be an afternoon of sports.

The 36th district annual meeting of North York Women's Institutes will be held next Thursday at Trinity United Church, Newmarket, commencing at 9.30 a.m. All Pine Orchard members are asked to attend as the regular June meeting for Pine Orchard W.I. has been cancelled.

A group of neighbors and friends gathered last Saturday at the home of Mrs. George Wood for a social afternoon, and presentation of a lovely table lamp to Mrs. Robt. Richardson (nee Mary Willis). Mrs. Colville made the presentation and also sang a lovely solo. Mrs. Simpson rendered a piano solo. Contests were conducted by Miss S. McQueen and Mrs. G. McClure. A delicious lunch was served by the hostess.

Miss S. McQueen was a Tuesday night tea guest at the home of Mr. and Mrs. Frank Williams. Mrs. A. Richardson and Millie, and Mrs. Don. Thompson had Sunday dinner with Mrs. G. McClure and Murray.

Mr. and Mrs. Earl Toole and family, Mrs. Chas. Toole, and Miss Erma Taylor, Toronto, visited Mr. and Mrs. Stuart Taylor and Mr. and Mrs. W. Taylor, Cedar Brae, recently.

Mr. and Mrs. Ronald Hawtin, Ottawa, spent the weekend with Mr. Hawtin's mother, Mrs. R. Hawtin.

Miss Florence Tucker of Tor-

onto was home for the weekend. Miss Tucker recently returned from a trip to North Carolina.

## FAT IS AMMUNITION!

Fat and bone conservation begins at home and ends in the firing line

- DO YOU KNOW -

One pound of fat supplies enough glycerine to fire 150 bullets from a Bren gun. Two pounds of fat will fire a burst of 20 cannon shells from a Spitfire or 10 anti-aircraft shells.

Bones produce fat and aircraft glue. If we saved fat at the rate of one ounce per person per week this would mean 36,000,000 pounds per year, enough to produce 3,600,000 pounds of glycerine for explosives.

## OUR FIGHTERS DEPEND ON YOU

"Every householder who delivers to a retail butcher, collector, or Salvage Committee, any rendered or unrendered fats or bones shall be entitled to receive from the person to whom they are delivered 4 cents per pound net weight for rendered fats, and 1 cent per pound for unrendered fats."

The above paragraph is a direct quotation from Order A-642 of The Wartime Prices and Trade Board.

"Rendered fat" means fat melted down and strained to remove solid matter. It includes drippings and strained pan grease resulting from the cooking of meat.

"Unrendered fat" means raw or partially cooked fat free from lean meat and bone, but not fully rendered.

"Bones" means raw or cooked bones of cattle, sheep and hogs.

EVERY OUNCE COUNTS!

SAVE AND STRAIN EVERY DROP TO SPEED VICTORY. SELL IT TO YOUR BUTCHER OR GIVE IT TO YOUR SALVAGE COMMITTEE.

## NOTICE TO BUTCHERS, HOTELS, ETC.

You have been mailed a copy of Order A-642. This Order affects operators of hotels, restaurants and other establishments where meals are served. It is of immediate importance to butchers and slaughtermen. If your copy has been lost, you can obtain another from the nearest office of The Wartime Prices and Trade Board.

## ELMHURST BEACH

INSTITUTE MAKES 44  
QUILTS FOR WAR WORK

The Elmhurst W.I. met at the  
home of Mrs. Ross Sturdy. Owing  
to the busy season attendance  
was small. The ladies reported  
a busy winter season. Non-  
members have generously con-  
tributed their time at quilting.

Since November 38 quilts have  
been made for the Red Cross,  
three for Russian relief, one sold  
to supply overseas soldiers com-  
forts, one sold to aid Institute  
funds. The last quilt is being  
made for future use for patriotic  
purposes.

Four dirty bags were filled, 20  
boxes sent overseas and 21 ship-  
ments of cigarettes made. Nine  
boxes are ready to send.

Countless articles of knitting  
have been completed for the Red  
Cross.  
Meetings will be held during  
July and August.  
Miss Marion King gave two  
piano selections.  
Mrs. McIndoo, Toronto, has re-  
turned to her summer home here.

POLICE COURT  
THEFT OF GASOLINE  
BRINGS JAIL TERMS

Magistrate W. N. Robinson in  
York county police court, held in  
Newmarket on Thursday morning,  
sentenced Troopers George Farley  
and Walter Salewski, Camp Bor-  
den, to one month in jail.

The two soldiers had pleaded  
guilty to the theft of five gallons  
of gasoline from the car of Driver  
D. J. O'Donnell, which was parked  
near the Newmarket military camp  
on May 21. Evidence in the case  
had been heard in court a week  
ago Tuesday, when the men were  
remanded in custody for judg-  
ment.

"You two men have pleaded  
guilty to what I regard as a very  
serious offence," stated his wor-  
ship. "I think people who steal  
articles that are rationed and can  
not be replaced have no regard for  
the rights or privileges of others.  
You stole gasoline from two auto-  
mobiles on the night of the theft.  
You stole an eight-gallon milk can,  
belonging to Roselawn Dairy,  
which was standing at the side of

the road.  
"You had at that time a rubber  
hose. I think it was premeditated  
You were prepared to take gaso-  
line anywhere you happened to be  
driving. I think the courts should  
deal severely with people who take  
rationed articles. One thing in  
your favor is that you have no  
criminal record."

"I am sentencing you to jail for  
one month. I am going to take off  
the time that you have already  
served. I hope that you won't get  
into any more trouble of this kind.  
You are in the army. I hope that  
you have learned your lesson and  
I hope that when you get out you  
will be good soldiers and after  
the war make useful citizens."

**In The Same Boat**  
Judge (whispering before case  
opens)—Your wife accuses you of  
terrorizing her.

you see, she always tries to —

care what she does. As man to  
man, tell me how you go about  
it.

**Machines and  
men must work harder  
than ever...**

NEVER BEFORE was good farm  
implement service so important.

Farmers are bending every effort to make  
good on the delivery of the greatest food  
production program ever required of  
them. They and their families will do  
more than they have ever done and  
machines too will be called upon to work  
longer and harder.

This year well-designed and soundly-built  
machines will prove their worth. The  
services of an organization ready and  
equipped to keep these machines on the  
job will be needed and appreciated, too.

Geared to war-time needs, the Massey-  
Harris organization through its branches,  
distributing centres, and hundreds of  
local dealers is prepared to support the  
farmers of Canada in their efforts to grow  
more vitally needed foodstuffs with the  
best service it is possible to give.

Ask your local Massey-Harris dealer  
about repairing and reconditioning  
your farm equipment.

**Provide Now

Some day you will be able to make  
those improvements you are plan-

POLICE COURT  
Must Provide Transport  
Home For Pin-Ball Games

"I am dismissing the charge  
against you of keeping a disorderly  
or gaming house," Magistrate W.  
E. McIlveen told Harry Horne,  
Toronto, and James A. Kilpatrick,  
Orchard Beach, in York county  
police court, Newmarket, on Tues-  
day. Both men were charged  
jointly with the offence. His wor-  
ship said that inspection had been  
made of the premises owned by  
Mr. Horne at Orchard Beach, Lake  
Simcoe, known as Horneville and  
that it was found that they had  
been run in an orderly fashion.

"I am also dismissing the charge  
against you of conducting a lot-  
tery," continued, his worship.  
"There is certain evidence but I  
am giving you the benefit of the  
doubt. Technically you are guilty  
but I am certain that you are in-  
nocent and did not know that you  
were doing wrong."

His worship added that he was  
dismissing the charges provided  
that Mr. Horne provide his own  
transportation back for the five  
pin-ball machines and racing  
machine which were seized and  
that he does not use the "electric  
crane" machine, which his worship  
said was illegal.

Pleading guilty to a charge of il-  
legal possession of liquor in his  
car, Vern Sibley, 88 Victoria Ave.  
South, Hamilton, was fined \$15  
and costs of \$13.25 or 15 days.

His worship ordered the liquor  
confiscated.

According to Chief Constable  
Fisher Dunham, Aurora, at about  
10.30 p.m. on May 15, he observed  
a car with two men sitting in the  
front seat, parked on Victoria St.,  
in Aurora, close to a dance hall.

"I went around the block and  
when I came back the car was  
gone," stated the officer. "Later  
I saw the same car parked on  
Wellington St. Mr. Sibley was in  
the car. I told him I had to search  
the car. I searched it and found  
three bottles of whiskey in the  
back seat. In the trunk of the car  
I found two empty cases and  
three empty beer bottles."

Constable Dunham produced the  
defendant's liquor permit, on  
which was shown the purchase of  
two bottles of whiskey on May 5  
and 6. The purchase of the third  
bottle, a bottle of "rye" did not  
appear on the permit.

"Did Mr. Sibley say why he had  
the whiskey?" asked Miss B. E.  
Lyons, acting for the crown.

"I asked him why he had the  
three bottles and he said that he  
was going to a party," replied the  
officer.

"The bottle of rye is not mine,"  
asserted Mr. Sibley in his defence.  
"That is not the bottle which Con-  
stable Dunham found in my car." He  
admitted that the other bottles  
of liquor had been in his car for  
ten days.

Questioned by the crown, Mr.  
Sibley admitted that the two bot-  
tles of whiskey belonged to him,  
and also the car.

"All three bottles were found in  
his car," affirmed Chief Dunham,  
when recalled to the stand by  
Magistrate McIlveen. "Constable  
Ferguson came shortly after I  
made the search and he saw them."

"I first saw the liquor when I  
arrived shortly after," stated Pro-  
vincial Constable Alex. Ferguson.  
"I might add that I knew that this  
car was in town and was watching  
it."

Pleading guilty to travelling at  
50 miles an hour on Yonge St. on  
May 22, Harry L. Anderson, Camp  
Borden, was fined \$25 and costs of  
\$1 or 20 days in jail.

Constable Ferguson testified  
that he had clocked the defendant  
for a distance of two and a half  
miles between Eagle St. and  
Aurora. The officer stated that  
when he asked to see Mr. Ander-  
son's driver's license, the latter  
produced a 1912 permit.

His worship remanded the de-  
fendant for sentence on a second  
charge, that of failing to have a  
1943 operator's permit.

In his defence, Mr. Anderson  
stated that he had made applica-  
tion for a permit and that he had  
been told that he did not need one  
while in the army.

"If you drive a private car you  
have to have a license," explained  
his worship. "You do not need  
one if you are driving an army  
car."

Other cases disposed of by his  
worship were nine cases of ex-  
ceeding the speed limit.

Harry Aylliffe, Hamilton, was  
fined \$15 and costs. Constable  
Ferguson clocked Mr. Aylliffe on  
Yonge St. James Rhodes, Roche's  
Point was fined \$15 and costs,  
Robert Wilson, Long Branch, Ken-  
neth Clapp, Toronto, and Salm  
Maltair, Toronto, were each fined  
\$10 and costs. Charges in these  
three instances were laid by Con-  
stante William Hill of Sut-  
ton.

Leo Hannan, Toronto, was fined  
\$25 and costs for driving at 55  
miles an hour in Georgian town  
ship. Ann Lobbely and Harry Hil-  
ler, both of Toronto, were each  
fined \$15 and costs, and Howard  
Hopkins, Argyle, Ont., was fined  
\$11 and costs. The last four charges  
were laid by Constable George  
Foster of Georgian township.

**MOVE TO NEWMARKET**  
Mrs. Philmore Cane and family  
and her sister, Mrs. Jas. Bullock,

Toronto.

## Mount Albert

Major John Russell McGillivray (acting Lt.-Col. R.C.O.C., Toronto, who has been decorated by the King with the Officer Order of the British Empire military), is the brother of Mrs. W. L. Carruthers.

Mrs. Robt. Thirsk, Toronto, spent last week at the home of Mrs. H. Pearson and other relatives.

Miss Myrtle Draper was a visitor at the home of her brother, Mr. W. Draper, on Sunday. Mrs. J. S. Duncan, Thornhill, Lieut. and Mrs. Kenneth Duncan, Halifax, N.S., and Sgt. Thos. Duncan, Kingston, were calling on friends in town on Saturday evening.

The Women's Institute met in the United church on Thursday with the new president, Mrs. M. Stokes, presiding. They had as their guests the members of Sandford Institute, who gave a very fine program of music and other selections. The Mount Albert ladies are getting 15 ditty bags to fill during the summer and have ready early in the fall. There is yarn on hand to knit for them.

### CATCHES AND KEEPS "THE GREASY PIG"

Mount Albert celebrated its 19th annual sports day on Saturday. The weather was nice and about 2,500 visitors attended.

The military camp at Newmarket put on a smart display in the afternoon and a concert in the evening as well as furnishing music for the dance on the tennis court. In the afternoon the football games were won by Newmarket military camp, with Mount Albert second and Ajax third.

The lady drivers who won prizes were Mrs. Bailey, Marion Stewart, Mrs. Robt. Thirsk and Stella Preston.

Clarence Longhurst caught and kept the greasy pig.

The best gentleman drivers were: Walter Meyers, Jim Bullcock, Mr. Allan Geo. Wilson. Orval Jordan caught the rooster and Almer Paisley and Lyle Coomer caught the rabbits. Winners in horse-shoe pitching were Fred King and Frank McShane, Carr and Hill, S. McShane and Longhurst; Watt and Baker.

Winners of prizes were: Shirley Busch, Winnipeg; W. Rolling, Gene Case, Phyllis Kailes, Robin, Man. There are still numbers 1742, 1527, 229 to be claimed.

The Veterans had their bingo tent and cleared around \$48.

Roy Stewart was chairman of the day and had some splendid workers on the many committees.

Mrs. J. R. McGillivray and Marta, Toronto, spent the weekend with Mrs. W. L. Carruthers.

Dr. and Mrs. Lorne Stokes and John David of Hanover spent Sunday with Dr. Stokes' parents,

## CHILDREN ENJOY MOVIES

Well over 100 school children gathered in the Salvation Army hall on Monday evening. Captain A. MacQuodale of the Salvation Army at Usbridge showed moving pictures of the king's and queen's visit to Canada and the United States. Other pictures were also shown. There is a young people's meeting every Monday evening at 7 o'clock. Each week there is a different program.

Mr. and Mrs. W. D. Stokes.

Mr. and Mrs. Stan. Watts, Toronto, spent the weekend with Mr. and Mrs. Ed. Watts.

Mrs. Bruce Davidson attended graduation exercises at St. Joseph's hospital in Toronto last week, when Miss Blanche Evans, Mount Albert, graduated.

Following their recent recital pupils of Miss Elizabeth Leek presented her with a bouquet of roses.

Staff-Sgt. Howard Morton, Kingston, and LAC Chas. Morton, Aylmer, were home with their families on Sunday.

Mrs. J. Macpherson, Carleton Place, is spending some time with her son, Dr. G. W. E. Macpherson.

Mr. and Mrs. John Cain and family, Markham, were guests of Mr. Cain's mother, Mrs. John Cain, on Sunday.

Mrs. H. Kurtz, Gail and Tommie, are spending a month with relatives at Sudbury.

Pte. Allan Palmateer, Camp Borden, visited his grandmother, Mrs. Cain, while on leave.

Mrs. Bill Wilson and children, Toronto, have been visiting Mrs. Wilson's parents, Mr. and Mrs. W. Dike.

Mr. Will Lundy is ill.

The Red Cross had a very successful day on Saturday with their booths at the sports day.

## MOUNT ALBERT

### CONVALESCENT CHILD'S TRICYCLE DISAPPEARS

Someone removed a tricycle, belonging to Betty Rolling, from the front of her home sometime after midnight on Saturday.

Betty has been ill and enjoyed her tricycle very much. It is hoped that the person who removed it will return it promptly.

Anyone having information regarding its whereabouts will be suitably rewarded. It has a red frame, green seat, and aluminum handlebars.

## KESWICK

### Forty Children And Grandchildren Gather

Rev. H. J. Pritchard, Sutton, occupied the pulpit of Keswick United church on Sunday. He gave two helpful and inspiring sermons.

Rev. Gordon Lapp preached at Sutton, Virginia and Bethel appointments.

Rev. Walton Whipple, grandson of Mrs. J. H. Prosser, and until recently a missionary in French Indo-China, will preach at the morning service of the United church on Sunday.

Rev. Mr. Whipple had to leave French Indo-China because of war conditions. He will tell of his life and work there.

Mrs. Ernest Morton, Mrs. Jackson and Mrs. Leslie Morton were in charge of the supper served by the Women's Association of the United church.

In the concert following the talent of the children predominated. Bill Davison was the genial chairman.

The pupils of Mrs. Harold Polard gave piano solos and duets. The following children performed: Penny Jane Stork, June Prosser, Caroline Atcheson, Marie Draper, Ruth Mary Winch and Corrine Pickard.

The girls of the intermediate Canadian Girls in Training gave a delightful performance of the tea-party from "Alice in Wonderland." Phyllis Rye, Ruth Alder and Marian Smith took part.

Mrs. Lapp substituted for Shirley Thompson. Splendid choruses were given by the girls and boys of the senior room of the public school under the direction of Mrs. Atcheson.

Douglas and Danny Peters sang a duet. Marlene Rye recited.

Mrs. Frank Marritt and Mrs. Ernest Morton also gave interesting selections.

Jool Sedore celebrated his 79th birthday on Friday. Forty of his children and grandchildren gathered at his home to honor him.

Mrs. Lapp, Brighton, is visiting her son, Rev. Gordon Lapp, and Mrs. Lapp.

Mrs. Wesley Shier, who has been visiting her mother and father, Mr. and Mrs. John Hopkins, has returned to her home in Toronto.

Mr. William Henry of Queensville visited his son, Mr. Ralph Henry, and Mrs. Henry recently.

Rev. and Mrs. Walton Whipple and family from the U.S.A. are expected to visit Keswick this week.

Mrs. R. Serick and baby, Carolyn, who have been at Ringwood for the past few months, are spending a week at their home here.

Mrs. W. Rigger is at Big Bay Point visiting her daughter, Mrs. Cecil Grant.

Mrs. Sam Workman, Kemptonville, visited her sister, Mrs. J. Linstead, last week.

Mrs. Stevens suffered a stroke this week.

Mrs. Wm. Davison spent Saturday in Toronto.

Mr. and Mrs. Fergus Taylor and family, Newmarket, were calling on friends here on Monday.

## PEPPERLAW INSTITUTE REPORTS WAR WORK

A report of war work done is made by the Pepperlaw Women's Institute for the year from May 1, 1942, to April 30, 1943.

The committee started the year with a cash balance of \$120.27. Receipts from dances during the year amounted to \$1,131, from salvage \$107.22, Red Shield, \$67.12, bank interest, \$2.17, eucyres, tag days, donations, etc., \$126.10, bringing the total for the year to \$1,453.88.

Expenditures were: wool, \$233.97; sewing, \$243.10; ditty bags, \$83.19; Testaments, \$1.50; dances and prizes, \$390.72; kits, \$1.80; parcels overseas, \$44.88; postage, etc., \$10.00; use of Community Hall, \$55.12; Navy League, \$60.03; W.I. central fund, \$75.50; Aid to Russia fund, \$95.72; bringing the total expenditures for the year to \$1,315.49, and leaving a cash balance at April 30 of \$247.39.

The work committee reported the following work had been done: 168 pairs socks, 7 sweaters, 54 scarves, 1 tuck-in, 4 helmets, 2 pairs mitts, 1 knitted blanket, 33 pairs pajamas, 27 quilts, 31 nightgowns, 10 layettes, 100 articles of clothing for refugees, 17 boxes sent to local boys overseas, 11 Christmas boxes sent by Red Shield to local boys overseas, 10 parcels sent local boys, each containing one pair socks, one sweater and one New Testament, and 75 ditty bags filled and sent to the Navy League.

## FORM SUNBEAM-BROWNIES

The Salvation Army has organized a Sunbeam-Brownie pack for girls from seven to 11 years. Any girls interested are invited to come on Tuesday evenings at 6:45 to the Salvation Army hall, Queen St. This pack is non-denominational.

## MISS HOLLADAY

(Continued from Page 1)  
as a convenience to pay by the month," said Mr. Pritchard.

"Then we should give the rebate for the month that they weren't at school," said Mr. Bovair.

"There is one month that I don't use my telephone or water or light, but I pay anyway," said Mr. Koffend.

"What is your cost per pupil?" asked Inspector C. A. Lapp.

"It is \$40 or \$45 per pupil per year," estimated Mr. Bothwell.

"You are entitled to charge up to the cost," said Mr. Lapp.

"They can send pupils to their own schools if they wish," said Mr. Pritchard. "It costs about one teacher a year to accommodate those pupils. We lose money on them."

"If parents proceed according to the Public Schools Act they can obtain from their own school board either their township school taxes or their fees, whichever is the less," said Mr. Lapp.

"I know no pupils coming to your schools who have proceeded according to the act and are entitled to a rebate. You are entitled to charge the pupils the per day cost after deducting all grants. That would be, as I imagine, about twice what you are charging. So they are getting a bargain."

Mr. Pritchard expressed agreement.

"So there is no question of rebate," said Mr. Koffend.

The principal's report showed an average attendance of 405 in May compared with 491 in April. This was 77.7 percent compared with 91.5 percent.

Mr. Koffend invited Inspector Lapp to address the board.

"I have enjoyed the very fine business-like way you have conducted your business," said Mr. Lapp. "I was interested in Dr. Case's proposal for supervised sport. From my own experience as a principal I can appreciate Mr. Jackson's difficulties. A sport program would do a great deal of good."

"Parts of the school grounds can be set aside for particular classes. Sometimes something may be accomplished by organization in the classroom. One should let the children organize the games themselves as far as they can."

"I think you have some organized sport now after school."

Mr. Jackson agreed.

"I think the tendency in public schools today is to emphasize a play-day as distinguished from a field day," said Mr. Lapp. "It can be an enjoyable day. I am not critical of your present program, because I have admired the organization of your schools for some time."

"I have seldom seen a more effective classroom teacher than Miss Holladay," continued Mr. Lapp. "I have admired her because of her influence on the boys and girls. The co-operation in the school was obvious."

Mr. Koffend asked Mr. Lapp why in his reports he spoke of the work of some of the teachers but not of all the staff.

"Few inspectors make individual reports on teachers," said Mr. Lapp. "It is difficult to appraise a teacher's work in terms of fair, good, excellent. One teacher might be an excellent classroom teacher and another might be excellent in general school activities. I am afraid that such a report

is not possible."

## C. M. Loneragan, Sutton, Dies In 37th Year

Cornelius Michael Loneragan died at his home, Sutton, on June 2, in his 37th year. Mr. Loneragan had been in poor health for the past four years but was able to attend to his business until recently, when he was confined to his home because of a heart condition.

Born in Sutton in 1906, he was the son of Mr. and Mrs. Frank Loneragan, Sutton. He married Florence Foster 17 years ago.

Mr. Loneragan was a coal dealer and a livestock trader. He worked for the Canada Grain Co. for nine years before going into business for himself.

He was a member of the Roman Catholic church.

Surviving beside his widow are his parents, Mr. and Mrs. Frank Loneragan, Sutton, two daughters, Vivian, 16, and Frances, 12; four brothers, Thomas and Maurice, Sutton, Fred, overseas, and James, with the army in Newfoundland; three sisters, Mary, Detroit, Mrs. S. Patterson and Jean, of Toronto.

Father Thos. Toomey conducted the funeral service in St. Anthony's church, Virginia, on June 4. Interment was in St. Anthony's cemetery.

The pallbearers were Roy Conberry, John Laviolette, Thos. O'Neill, Wm. Chapelle, Lewellyn Tomlinson and George Hodgson.

might be misleading."

Mr. Lapp said that he mentioned the music and art teachers because "they are the department."

Mr. Koffend asked why, if Ontario's rating in education is "so low," the Newmarket schools stand so high. Where were the faults that should be corrected?

"Educationally, Ontario does stand first, as we used to think we did," said Mr. Lapp. "We hope Ontario will again."

"We don't spend enough money. Is that it?" asked Dr. Case.

"What province has a better educational system?" asked Mr. Lapp. "Not Nova Scotia, not New Brunswick, not Quebec. Possibly in the west."

"That is the general opinion," said Mr. Koffend. "But compared with the blue-books you are away out."

"What blue-books?" asked Mr. Lapp.

"Perhaps Mrs. Edwards can help," said Mr. Pritchard. "She made a statement about Ontario's standing."

Mrs. Arrowsmith made the statement at a Home and School Association meeting," said Mrs. Edwards.

"I am an employee of the Ontario department of education and I wouldn't admit that any other province has a higher standard, except perhaps Alberta and Saskatchewan, which were first to emphasize certain activity principles," said Mr. Lapp.

"I was very much surprised when it was first stated that Ontario was low," said Mr. Bothwell. "I always thought Ontario was at the top."

"It hurt my feelings too," said Mr. Koffend.

"I'll admit that we are not doing the job we should," said Mr. Lapp. "But others are falling down too. I think Dr. Case has hit on something. There should be more emphasis on team-work, co-operation, citizenship."

"When I went to school I was backward and slow," said Dr. Case. "The boys who didn't need athletic training got it. The rest of us were paying spectators. I have admired Mr. Blackstock's work at Pickering College. There are three teams. Every child belongs to one of them. There was a field day last week and every child took part, and the points were counted not only for the field day but the year's sport. The highest team was only a few points ahead of the lowest team."

"There is a danger of being organized too much," said Mr. Lapp. "You get into fascism."

"Mr. Blackstock doesn't do it that way," said Dr. Case. "He works through captains."

Mr. Koffend asked Mr. Lapp's opinion on what the board should do if it were asked to establish kindergarten rooms on both sides of the town in the fall. Mr. Lapp said that he would give an answer but it might not be the answer he would give if he had more time for consideration.

"I would say that for a town of this size you are doing well with kindergarten-primary," he said. "You admit pupils at five. There are some pupils in grade one who should be distinctly classed as kindergarten-primary, and not be asked to read. They should be allowed to do hand-work."

"Should the board help a private kindergarten with supplies?" asked Mr. Koffend.

"Offhand, I would say no," said Mr. Lapp.

Mr. Bovair said that he understood that the school-starting age was six, but that a pupil could start at five and a half or more.

"A child can attend at five, and must go at eight," said Mr. Lapp. Mr. Lapp said that the school-starting age is likely to be lowered.

"The nursery school will come," he said. "But I think it is better to await developments. The work in grade one should be adjusted to suit the pupils. Some at five are not ready to begin reading. It is harmful for such pupils. The child will be better for kindergarten work."

"A child is not ready to read until he has attained a mental age of six plus. A child at five with a high intelligence quotient may not be ready to read."

"If you face a definite proposal, I could give you a more carefully considered opinion."

The board appointed Fred Hall, principal of the Stuart Scott school, to the Alexander Muir school as principal, to succeed Miss Holladay in September, and appointed Ralph C. Rumball, on the Alexander Muir school staff, principal of the Stuart Scott school. The board appointed Mrs. Marian Procter Stone, a former Newmarket girl who has had seven or eight years teaching experience, to the vacancy at the Alexander Muir school.

Mrs. Stone, whose husband is overseas with the R.C.A.F., is now teaching at Churchville and will receive a salary of \$1,000.
